We have been actively working with MuniBilling to seek restitution to our members, but none have yet to receive reimbursement. Laci Klinger made motion directing staff to ask our legal representative, John Young, to reach out to MuniBilling. In addition, staff is to ask MuniBilling to do an urgent mass mailing detailing steps to correct accounts and apologize to our members. Staff was also asked to consider the MuniBilling issues with concern to late fees and disconnection of service. In addition, staff will begin to research a new billing company. Terry Noble seconded the motion, all aye.
5. Unforeseen business (for discussion only). None.
6. Walter Armstrong motioned to adjourn the meeting at 10:35 a.m. Terry Noble seconded the motion, all aye.
